## WORK EXPERIENCE

### Centric Business Solutions, Inc (Prime Holdings Intl), Glendale, California 2013 - 2015

#### Lead Graphic & Web Designer

Prime Holdings Intl, Inc is a holdings company that holds companies in apparel, medical, textile and technology. I was hired as the primary lead graphic and web designer responsible for the content of any and all of the businesses' websites and graphic marketing assets. I created and maintained websites; content, assets and graphics for each business. I was also the lead graphic artist responsible for all print/web marketing materials.

### ABC Mouse, Inc (freelance work), Glendale, California 2012

#### Advanced UI Graphic Designer

ABCMouse.com is a children's website dedicated to education. I worked on designing, updating and adding new assets to the website. This position was a temporary position (freelance).

### Lava Heat Italia, Inc, (freelance work), Culver City, California 2012

#### Graphic & Web Designer

Lava Heat is a manufacturer of indoor/outdoor patio furniture. My job was to update their website and create all promotional collateral for their marketing purposes. I was the only designer/marketer on staff so I had to be efficient, quick and effective. The position was a temporary position (freelance).

### Salem Los Angeles, New Inspiration Broadcasting, Inc, Glendale, California 2010 - 2011

#### Lead Graphic & Web Designer

Successfully managed and coordinated three (3) radio station websites and design projects from concept through completion. My jobs can be broken into three parts; design, coordination and programming. I designed for the sales, promotions and programming departments as part of my design responsibilities. My coordination responsibilities included maintaining many Internet divisions, national integration and broadcasting division assets. My programming responsibilities included maintaining and trouble shooting, updating, modifying and or enhancing their cold fusion contract system.
