*Limited-time offer. Expires 12/30/15. Requires new one-year commitment with qualified plan, which includes a free HD SIP phone(s). Subject to VoIP Customer Agreement. Enrollment in Autopay and E-Bill may be required. Geographic limits, usage, and other terms, conditions, and restrictions apply. Equipment price and availability may vary. Early termination results in loss of service and full balance of phone(s) becomes due at current market value. Coverage and services not available everywhere. Taxes and/or other government assessment charges may apply. You will not be charged for your first free trial month however, we do require a valid credit card for pre-authorization prior to establishment of service. Pricing is subject to change with or without notice.
